

SUPERVISING CLINICAL SOCIAL WORKER-
Justice for Children Advocacy Center

DISTINGUISHING FEATURES OF THE CLASS: This is a professional level position providing administrative work which involves responsibility for the administration and supervision of Mental Health providers and subordinate staff in the planning and implementation of programs and services provided by the Justice for Children Advocacy Center. Work is performed under the general supervision of Justice for Children Advocacy Center Program Coordinator. Does related work, as required.

TYPICAL WORK ACTIVITIES:

Provides mental health screening and assessment of children served by the Justice for Children Advocacy Center (JFCAC) and makes referrals to long term mental health therapy/resources if appropriate;

Provides individual, family and group therapy to children, non-offending caregivers, and families who have been impacted by violence;

Accompanies children and families to court when necessary;

Provides consultation services to other professionals working with children and their non-offending caregivers;

Collaborates with other JFCAC staff and multidisciplinary team (MDT) members in decision making processes that preserve and enhance the mental health of children served by the JFCAC;

Write and maintains individual case records for each client and other program statistical records as required;

Provides clinical supervision to mental health providers contracted to provide services at JFCAC offices;

In collaboration with the JFCAC Program Coordinator recruits, interviews, and orients new mental health providers who contract with the JFCAC to provide mental health services;

Assists in the evaluation of training needs of contracted mental health providers and maintains documentation of continuing education units as required by the NYS Office of Children and Family Services and the National Children's Alliance;

Collects and maintains grant-required program statistical records for all mental health treatment providers at the JFCAC;

Coordinates bi-weekly in-house case review meetings;

Coordinates scheduling and coverage for mental health services in the Batavia, Albion, and Warsaw Offices;

Works in collaboration with the JFCAC Program Coordinator ensuring that mental health services are being provided in compliance with National Children's Alliance, NYS Office of Children and Family Services, NYS Office of Victim Services, and NYS Office of Mental Health Services standards;

Attends and participates in staff meetings, quarterly MDT training, and MDT case review meetings;

Completes continuing education units as required by the National Children's Alliance Accreditation Standards and the needs of JFCAC clients;

Takes part in speaking engagements, panel discussions, and community and professional training activities that further the understanding of the mental health impact of child abuse and trauma;

Does related work as required.
