

**EIGHTH DAY
 GENESEE COUNTY LEGISLATURE
 OLD COURT HOUSE – 7 MAIN STREET, BATAVIA, NY
 WEDNESDAY, APRIL 26, 2023**

The Genesee County Legislature met in regular session on Wednesday, April 26, 2023 at 5:30 PM in the Legislative Chambers of the Old Courthouse.

Legislator Maha offered to assist with the audit. The prayer will be offered by Legislator Hawley followed by the Pledge to the Flag. In addition to our regular meeting, Chair Stein called a public hearing as part of an eight-year review of Agricultural District No. 1 – Towns of Alexander, Batavia, Bethany, Darien, Pembroke and Stafford. Opened at 5:31 p.m.

Proclamations & Commendations - None.

Approval of Minutes: April 12, 2023 – Legislator Clattenburg requested to amend the minutes adding Lynda Battaglia accepting and speaking on the proclamation for Government Month. The amended minutes were approved by Legislator Clattenburg, seconded by Legislator Deleo.

Committee & Special Assignment Reports – Legislator Stein and Maha spoke of the ICAWNY meeting on April 21st held in Watkins Glen, Schuyler County. At the meeting there was discussion on State budget, affordable housing tax taken out of budget, Congressman Nick Langworthy offered available local tax payers funds the state should have access to the Federal Funds and not filtered through the State government. Also, debt ceiling HR1 All in bill changes to the current situation going through the house. He hangs his hat on this. Also, Naco sent an alert for Senate bill taking back unallocated funds for ARPA. Passed a great amount of resolutions at this meeting. Legislator Gary Maha mentioned Genesee County is hosting ICAWNY meeting for the month of May 12 – will be out at the Klotzbach Sweet Haven Farms. There will be a tour at the STAMP Project given by GCEDC. Legislature is welcome to attend. Legislator Maha mentioned attending the Crime Victim’s Rights Week event on Monday the 24th of April at GCC. Legislator Clattenburg thanked everyone that participated in this event, it was well attended. It was very educational. Chair Stein said Congressman Tenney did announce her fiscal year 2024 community project funding submissions and out of 123 submissions that she received, ours for the Parole Road main line of water line was accepted to be one of her 15 so we are in her submitted requests for 6.5 million dollars – Genesee County Water Security and Resilience Parole Road Submission. Chair Stein thanked everybody for their hard work.

RESOLUTION NO. 156

**ACCEPTANCE OF DONATION – QUIT CLAIM
DEEDS – FARGO RD OVER BLACK CREEK RIGHT
OF WAY –APPROVAL OF**

Legislator Clattenburg offered the following resolution:

WHEREAS, Genesee County has been progressed the design of the replacement of the Fargo Rd Bridge over Black Creek in the Town of Bethany, and

WHEREAS, plans for the replacement of this bridge require additional right of way in order to construct and maintain the bridge, and

WHEREAS, property owners adjacent to the bridge have agreed to donate portions of their property, as described in maps prepared for the project, to the County in the interest of saving taxpayer funds required for the acquisition of de minimis property, and

WHEREAS, the County is required to file deeds in order to secure donation of these portions of property, and

WHEREAS, the County Attorney has prepared, and the property owners have executed Quit Claim Deeds for the portions of property involved in the donation, and

WHEREAS, the Genesee County Highway Superintendent recommends accepting the property donations and filing the deeds at this time, and

WHEREAS, the Committees on Public Service and Ways and Means did review this request and does concur. Now, therefore, be it

RESOLVED, that the Genesee County Legislature does hereby accept the property donations from Lana Flint, Dewey Towner, Jr. Manner Properties, LLC and Daniel Gross to advance the replacement of the Fargo Rd Bridge over Black Creek in the Town of Bethany, and be it further

RESOLVED, that the Chair of the Genesee County Legislature is hereby authorized and directed to execute a Quit Claim Deed for said portions of parcels, together with such other necessary recording documents, in order to transfer title of said portions of parcels to the County.

Budget Impact: There is no cost to acquire portions of adjacent parcels required for the construction of the culvert. The donation saves the county acquisition process costs, which normally exceed \$5,000 per portion of parcel acquired.

Legislator Deleo seconded the resolution, which was adopted by 184 (Klotzbach absent - 16) votes.

RESOLUTION NO. 170

SUPPORT RESOLUTION FOR PERMIT APPLICATION - GENESEE COUNTY ECONOMIC DEVELOPMENT CENTER (GCEDC)/NEW YORK STATE DEPARTMENT OF ENVIRONMENTAL CONSERVATION SITE WIDE PART 182 PERMIT APPLICATION FOR STAMP MEGA-SITE

Legislator Clattenburg offered the following resolution:

WHEREAS, the Science Technology and Advanced Manufacturing Park (STAMP), under the auspices of the Genesee County Economic Development Center (GCEDC), is located in the town of Alabama in Genesee County; and

WHEREAS, STAMP is not only an economic asset for the Genesee, Livingston, Orleans, and Wyoming Counties (GLOW) region but also for the Rochester Finger Lakes and Buffalo Niagara regions; and

WHEREAS, over \$100 million of public and private sector investments are being made at STAMP to build infrastructure to attract advanced manufacturing, renewable energy, semiconductor, and related businesses to enhance the business climate of these regions; and

WHEREAS, these investments at STAMP have been enhanced through New York Governor Kathy Hochul’s Green CHIPS initiative providing up to \$10 billion in economic incentives for environmentally friendly semiconductor manufacturing and supply chain projects—alongside a host of shovel-ready sites, cutting-edge R&D infrastructure and a talented workforce; and

WHEREAS, these investments at STAMP are resulting in a \$232 million investment by Plug Power to construct a green hydrogen production facility along with a \$319 investment by Edwards Semiconductor to build their factory of the future focused on manufacturing critical components for semiconductor manufacturing; and

WHEREAS, these private sector investments will create nearly 700 good paying jobs for families across the region; and

WHEREAS, these types of companies will help New York State achieve its statutory climate goals mandated in the Climate Leadership and Community Protection Act (CLCPA) by lowering emissions in the manufacturing, transportation, and logistics sectors; and

WHEREAS, the GCEDC has spent years along with a team of expert consultants conducting its due diligence in reviewing and assessing the environmental impacts of STAMP, including a rigorous SEQR process which included a comprehensive environmental impact statement process along with conducting multiple hard looks through time at the potential environmental impacts which has yielded multiple negative declarations; and

WHEREAS, this permit application is for 665 acres of transitory agricultural land at STAMP within a region that provides an abundance of grassland habitat including significant federal and State protected grasslands, to support the short-eared owl and northern harrier also known as winter raptors; and

WHEREAS, the proposed mitigation is poised to add to this habitat through long-term, dedicated management of grasslands within the STAMP campus; and instead of the marginal, agricultural

fields that currently predominate STAMP, the proposed mitigation will provide 58-acres of grasslands that are managed to the precise needs of the birds; and

WHEREAS, deeding 33 acres currently owned by the Genesee County Economic Development Center to New York State Department of Environmental Conservation provides a unique opportunity to formally expand an existing Wildlife Management Area and permanently protect the land for the use by wildlife and the public in perpetuity; and

WHEREAS, its land use has been agriculture, has been actively farmed for generations, including active crop rotations which by virtue of this does not provide for a pristine habitat for winter raptors for foraging, breeding or otherwise; and

WHEREAS, STAMP has been planned and extensively reviewed environmentally to convert to industrial applications for more than a decade. Therefore, be it,

RESOLVED, that the Genesee County Legislature for the above reasons strongly urges the New York State Department of Environmental Conservation to approve the Genesee County Economic Development Center's (GCEDC) STAMP Site wide Part 182 permit application. Be it further,

RESOLVED, that a certified copy of this resolution be sent to New York State Governor Kathy Hochul.

Legislator Torrey seconded the resolution, which was adopted by 184 (Klotzbach absent – 16) votes.
