Section 1. Legislative Intent

The intent of this Local Law is to authorize the County to permit 12 and 13 year old individuals to participate in the new and safe hunting opportunities in accordance with Environment Conservation Law ECL 11-0935. The enacted 2023-2024 New York State Budget, includes a pilot program, allowing the opportunity for youth hunters, ages 12 and 13, to hunt deer with certain firearms and crossbow through December 31, 2025, if a County authorizes such action within their municipality. The County is amending this Local Law because hunting is a valued tradition for many families, and this new opportunity allows experienced, adult hunters to introduce the value of hunting to the next generation. Furthermore, teaching young people safe, responsible, and ethical hunting practices will ensure a rewarding experience for the youth, while providing quality food to families and contributing to important deer management population control practices.
