Contribution rates have been established by the Office for the Aging Advisory Council. Funding is provided through the New York State Office for the Aging, Administration on Community Living, and the generous support of the Genesee County Legislature, as well as from participants' contributions. All contributions received will be used to help expand programs to serve other older adults in the community. Thank you for understanding the importance of your contribution, which helps us to provide valuable services to Genesee County residents.

These rates are only suggested contribution amounts. No eligible participant will be denied service if they are unable or unwilling to contribute. All contributions are voluntary and confidential.

For gross monthly income over \$2,322 for a household of 1, or \$3,151 for a household of 2, your contributions to help cover the full cost of providing this service would be greatly appreciated. Information about the full cost of each the above noted services can be made available to you upon request.

Rates Established by Gen. Co. OFA Advisory Council effective 4/1/23.
185% FPPL Guidelines Updated 4/15/2024.
